COMMUNITY CHEST:

There will be a meeting of all Neighborhood Chairmen named in charge of local Community Chest activities on Friday, Sept. 29th, at 1 o'clock--at the home of Mrs. Roy Edwards, 323 Klamath St., for the purpose of distributing kits for the volunteer workers to use in the planned "ONE HOUR DRIVE" to be held on Sunday, Oct. 1st, from one to two in the afternoon. Most of the Peninsular communities will signify the start of the campaign at "KICK-OFF" time with bells, whistles, or sirens. Brisbane will have to be content with the familiar knock on the door. It would not be feasible to have our own fire siren blown, as we all know the feeling of panic whenever that siren does blow.

The drive will open locally with a thirty minute inspirational meeting of all committees and volunteer personnel at 12:30 noon on Sunday--and at 1 o'clock the "GO" signal will be given. At 2 o'clock, all volunteer solicitors will report to their chairmen, and the chairmen will report to their chairmen.

Since the San Mateo County Community Chest donations made here will aid the following organizations, the "ONE HOUR DRIVE" is expected to result in a flurry of excitement, as well as a flood of donations, for we all know so well that donations made here will aid San Mateo Co. Community Chest--and will not be used elsewhere. The organizations to be aided are: Children's Health Home, San Mateo County Blood Bank, Council of Social Agencies, Catholic Social Service, Family Service Agency, Girl Scout groups, Woodside Recreation and Youth Activities Committee, Peninsula Jewish Community Center, Community Chest of South San Francisco, and the newest agency to be helped, the Associated Services for the Armed Forces, successor to the USO.

The committees named locally include Mrs. Roy Edwards, Residential Chairman; Ted Dagler, City and Business Chairman; Mrs. Warren Reece, Publicity Chairman; Mrs. Mary Madera, Mrs. Carl Puschel, Mrs. Frank Jones, and Mrs. Louis Duncan--Neighborhood Chairmen.

As for the City and Business Drive--the "KICK-OFF" time will be at 9:30 Monday Morning.

OPEN LETTER TO THE EDITOR:

Dear Editor:

In regards the swimming pool for kids---I would like to offer my services one day a week, to work at the swimming pool, if and when it is built. I will also donate to cake sales.

I am not a swimmer, but I do like harum-scarum boys. Let's make a pool for our kids---and already you have one free worker!

Sincerely,

Mrs. K.D. WOODEN
37 San Francisco
Avenue, Brisbane

ED'S NOTE: Thank you for your kind offer. Looks like Harry Hampton started something with his "EET'S BUILD A POOL FOR THE KIDS" letter a couple of weeks ago, eh? How about some more offers, and ideas--on the subject?

OPEN LETTER NUMBER TWO:

Dear Editor:

We think that one of the finest things being done for the local boys is Captain Blair and his Rangers! We visited their camp last Saturday night, and watched their Manuel of Arms--gun practice--and night maneuvers, under the Eucalyptus tree south of Brisbane. We would like to take this opportunity to congratulate Capt. Blair on the wonderful way in which he handles and teaches these boys. Our two sons, Darryll and Derone, have improved immensely since joining the Rangers. We are sure the other boys in his group have, too.

Other visitors to the camp that night were Mr. and Mrs. C. Johnson, parents of Jerry and Gene, Rangers. We would like to suggest that other adults come out to see for themselves.

Sincerely,

Mr. & Mrs. J. H. Thresh
336 San Bruno Avenue
Brisbane, Cal.

ED'S NOTE: Thank you, and we agree. Capt. Blair IS doing a wonderful job.

AMERICAN LEGION AUXILIARY NEWS:

At their most recent meeting, the American Legion Post #473 Auxiliary had as their guest Miss Ann Allen, of Daly City--this year's GIRL'S STATE GIRL--. Miss Allen reported on her trip to Sacramento where she attended the Girl State meeting. She had represented Brisbane Daly City, and Broadmoor, and made a very competent speech covering all the activities in which she participated while in Sacramento. Miss Allen appeared at the local meeting at the invitation of Lorene Harris, last year's president of the Auxiliary. According to Mrs. Harris, there is no reason why a local girl cannot be chosen for next year's Girl State Girl.

RETRACTION: In last week's issue of the BYLINE--we mistakenly reported that our chief of police was in need of a two-way radio. Now we discover that he has had a radio for some time and that our informant had been mistaken. We wish to apologize for any inconvenience the article may have caused, although our intentions, and those of the mistaken informant--were only of the best. We thought we were doing a favor. WE APOLOGIZE!

A WORD TO THE WISE:

Did you ever hunt bear with a switch? That is just what has been hap. ening over in Korea. Our boys have had nothing but a switch to stop the best in fighting equipment. We have the equipment to win and the men that know how, but it takes time to get these materials to them. It won't be long 'till they will be turning in some more victories for our side. In the mean time let's give those lads a chance to show what they can do in giving the enemy a good thrashing like they always have done in the past. Let us here at home pass along a few encour- aging words instead of knocks and criticism. There is one thing we can all do to help our cause along. Give some serious thought to our buying. Buy those necessities that we need for the immediate near future. There is plenty of everything it takes to live the good old American Way. Let's not try to beat the other fellow to the punch and see how much coffee, sugar, milk, nylons, pillow slips, sheets, towels, etc. we can buy for use in the far distant future. THAT IS HOARDING, AND IT WILL BRING PRICE RAISES--AND THEN RATIONING!

IN REGARDS CHRISTMAS MAIL FOR THE ARMED FORCES OVERSEAS:

The period October 15 to Nov. 15 has been designated for the acceptance of Christmas parcels for members of our armed forces, serving outside the continental United States. Parcels destined for delivery in Japan, Korea, and the Islands in the Pacific should be mailed as early as possible, preferably not later than November 1st, in view of the distances involved. Parcels for Navy and Marine Corps personnel serving in the most remote areas should be mailed not later than Oct. 15.

The size and weight restric- tions for mailing other domestic parcel post are applicable to Christmas parcels for the Armed Forces, except that a limit not to exceed 50 pounds has been established for parcels addressed for delivery to APO's #124, and 125, care of Postmaster, N.Y. Each box should be of strong material and securely tied with (cont'd above)

(Christmas mailing--cont'd.) strong cord. Unless completely packed and tightly filled, boxes are likely to be crushed. The domestic rates of postage are applicable, and postage must be fully prepaid.

Addresses must be legible, and prepared in typewriting, or ink. Mail addressed to overseas Army and Airforce personnel should show, in addition to the name and address of the sender--the full name, in- cluding the full first name.

CHRISTMAS PARTY PLANS MADE:

The first meeting of the Assoc- iated Clubs of Brisbane was held on Wednesday evening, Sept. 21st, at the American Legion Hall on Visitation Avenue, for the purpose of discussing plans for putting on a big Christmas party and parade here. Plans were discussed as to how to raise the money to finance this community project. Quite a few suggestions were made, and the various representatives, after conferring with their clubs, will decide on one definite plan in the near future.

As this is to be an entirely local program, any donations from any source will be appreciated.

The representatives of the various clubs and organizations present at the meeting were; Mrs. Ralph Adkisson, Mrs. Roy Edwards, (Brisbane P.-T.A.); Mrs. Lorene Harris, Mrs. Lorene Geist, and Mrs. Hattie Hammond, (Amer. Leg. Aux.); William Harris, and Ralph Geist, (Amer. Legion); Stanley Clancy (fir men); and Fred Laing, (Lion's Club. Samuel A. Cole, (VFW). VFW. Auxil- iarily, and Chamber of Commerce will also be represented at future meet- ings.

Another meeting is planned for October 19th, at which time more detailed plans will be laid.

NEW FAMILY IN BRISBANE:

Brisbane extends a hearty wel- come to the Frank Delmar family who moved here about two months ago. They are living on Mariposa Street, and son Henry Burns has accepted a position at Larry's Service Station. WELCOME TO BRISBANE, DELMAR FAMILY.

FAREWELL PARTY FOR "MICKEY":

At a farewell party given at the home of Mr. and Mrs. Herb Tann, at 73 San Benito Road, a group of friends, co-workers, and well-wishers gathered together to bid Don "Mickey" Hunter goodbye last week as Mickey had enlisted in the Marine Corp, and left Brisbane on Monday of this week for his training. Before the farewell party ended, the combined group had presented Mickey with a beautiful gold-plated identification bracelet. Among those present were: Mr. and Mrs. Tann, who hosted the affair--the guest of honor--Mr. and Mrs. Ingram, Mr. and Mrs. Lester Dawe and son Pat--Ruth Cress, Daisy Todd--Mrs. Melody Guice and son James--Thelma Hickman--and Don's two sisters, Mrs. Mabelle Pahlow, and daughter Dena, of Redwood City, and Marie Reynolds, of San Bruno.

Don had been an employee of the local Postoffice for quite some time, and he will be missed by all of us who knew him. GOOD LUCK, "MICKEY" HUNTER!

MARINER GIRL SCOUTS:

On Sunday, Sept. 24th, the Mariner Girl Scout Ship, Troop 5--enjoyed a swimming picnic at Coyote Point. Those enjoying the outing were; Marjorie Van Kirk, Thomas Eaton, Margaret Penrod, Suzanne Moorhead, Marilyn McCabe, Ann Hodges, Mary Montez, Martha Penrod, Marcella and Marlene Penrod, Mascot of troop, and Mrs. Claudia Penrod, Leader.

FRISBEE'S IN WASHINGTON, D.C.:

Many of us who will remember the Bryan Frisbee's, who recently visited the John W. Smith family at 360 San Bruno Avenue, will be happy to learn that Mr. Frisbee has accepted a post with the U.S. Government as Consultant Mining Engineer at Washington, D.C. We understand that this is an honor, as there are only three such posts in the U.S.--and while Mr. Frisbee will be stationed in the U.S. 9 months of each year, he must spend 3 months out of the country.

(continued above.)

The Frisbee's are now making their home in the capitol city. Mr. Frisbee is John Smith's brother-in-law.

Another brother-in-law isn't doing so badly, either. Mr. Isaac Schemeister, of Berkeley, has accepted a post at a medical college in St. Louis, Missouri, as Professor of Science. He was formerly with the University of California at Berkeley.

WISHING

Do you wish the world were better?
Let me tell you what to do;
Just set a watch upon your actions--
And keep them always straight and true,
Rid your mind of selfish motives,
Keep your thoughts both clean and true,
You can make a little Eden of the
sphere you occupy.

Do you wish the world were wiser?
Well, suppose you make a start--
By accumulating wisdom in the scrap-
book of your heart.
Do not waste one page on folly--
Live to learn, and learn to live,
If you wish to give men knowledge--
You must get it e're you give.

Do you wish the world were happy?
Then remember day by day--
Just to scatter seeds of kindness,
As you pass along your way.
For the pleasures of the many,
May be oftimes traced to one.
For the hand that plants the acorns--
Shelters armies from the sun!

FADS AND FASHIONS:

You know, in all my enthusiasm about the new Fall styles, I completely forgot to mention what the well-dressed housewife will wear at her most important job of housewifery! You should see the cute gingham and plaids and checks in house dresses this fall! Important little ruffles where you least expect them---tricky pockets with an eye to beauty. Little bows placed here and there, and unexpected peek-a-boo yokes or midriffs. No longer must the housewife look dull and drudgy in her "work" clothes. Now she can be as glamorous at the dishpan as her sister is at the office. For, after all---the housewife is a CAREER GIRL, too! And when friend husband comes home, all grumpy and tired---think what a dull thud he must feel if you greet him in a faded apron! Why not fly into his arms dressed in one of the new off-the-shoulder models? The plaid ones with the white pique tops, with elastic for a neck-line, and a cute black bow just under the chin--if THAT doesn't get him to invite you to the movies that evening--nothing will! The colors are so ravishing, too. Combinations of blue and rose, or yellow and brown, or yellow and lavender---somehow, they can outshine the brightly tinted kitchen curtains without half trying! Drop in at VAN'S DRESS SHOP and look over our stock of everyday dresses bet you can't resist them!

THE NEXT MILLION PEOPLE:

Where will we find space in the Bay Area for the next million people? How will we provide transportation, housing and recreation for them? Careful planning is the answer, according to Telesis, a group of Bay Area architects, city planners, landscape architects and others interested in Area development. Telesis is planning its second Bay Area exhibit--"The Next Million People"--open to the public at the S.F. Museum of Art, from Sept. 20th for the next six weeks. Thereafter, the exhibit will be shown in many cities in the nine counties. The show presents the Bay Area's problems of water supply, transportation, water and air pollution, recreation needs, and

continued above

will stress the need for greater and more effective regional planning than has heretofore been possible. A feature of the exhibit is a 10X16 foot scale model of how the Bay Area can look 10 to 15 years from now with careful area-wide planning. "Space for Living"--the Telesis-sponsored exhibit in 1940, attracted 25,000 visitors.

WHERE TO BUY THE BYLINE:

Now that the sales boys can only sell on Saturday mornings, some of you are not getting your copies of the BYLINE---and with such important things coming up as election, winter activities, and so forth--you really should not miss a single issue. You can buy the BYLINE at the following stores: CLEARY'S GROCERY, across the street from the schoolhouse; LES'S MARKET, next door to the postoffice; LAING'S FOUNTAIN, a block up the street from the postoffice; and at THE FOUNTAIN OF YOUTH, a block down the street from the postoffice. Get in the habit of buying it at the same place each time, if you like. That way, you can always be sure of a copy.

FIRST PUBLIC APPEARANCE:

In next week's issue of the BYLINE we hope to be able to tell you of Thursday night's P.-T.A. meeting (we go to press too early to get it in this week)--because we have a personal interest in the first public appearance of the newly formed Glee Club. We saw and heard every rehearsal since it's first one--and we know there is a surprise in store for those of you who have not yet heard this fine group of people. At last Monday night's rehearsal we saw them hang the glittering sign which made the glee club officially a thing of the future. Before, it all seemed sort of nebulous. But when they hung the sign---we knew it was for real! YOU WILL BE SEEING AND HEARING MORE ABOUT THIS GLEE CLUB IN THE FUTURE--YOU CAN'T KEEP A GOOD THING UNDER WRAPS TOO LONG, YOU KNOW. I prophesy a brilliant future for this group. And I congratulate FRANK KING for his dream come true! G. REECE, EDITOR
